Founded in Taipei in 2000, Union is a professional manufacturer dedicated to producing high-quality mobile bags, leather cases, and handbags.

With continuous growth, we expanded to Zhaoqing City in 2016, where we began manufacturing mobile accessories.

In 2020, we further broadened our operations to Shiling, Guangzhou, a hub for the fashion industry.

Since 2022, we have added ladies' handbags to our product line, reflecting our ongoing commitment to innovation, craftsmanship, and customer satisfaction.
